SATURDAY, May 7, 2011

At Colorado Journey
(Belleview Ave. & Windermere St. Littleton)

8:30 a.m. - 9 a.m. Check-In
9 a.m. Shotgun Start

16th Annual "Puttin' on the Green" Mini-Golf Tournament

WHAT IS "PUTTIN' ON THE GREEN?"

Puttin' On The Green is a unique fundraiser combining the fun game of mini-golf with helping others in their time of need. Teams of five people are asked to raise \$1,000 to help low-income people get back on their feet (if each team member asks 10 people for a \$20 donation, the goal is met). We start with breakfast, hold a silent auction, play 18 holes of miniature golf, eat lunch, give out door prizes and all participants leave with a wonderful goodie bag.

Join us for a fun day of putt'n to a happy ending. For more information, email Maria Pearson, community relations coordinator at mariap@ifcs.org or call (303) 789-0501.

WHO WE ARE:

Inter-Faith Community Services (IFCS), established in 1964, is a nonprofit, nonsectarian social services organization that provides essential services and case management to enable families, children, individuals and senior citizens to move from dependence to independence and from dysfunction to successful living.

OUR MISSION:

Inter-Faith Community Services provides basic human services and enrichment programs to low-income people using community resources. Inter-Faith fosters self-sufficiency and respects the dignity of each client. Inter-Faith serves the people of Centennial, Englewood, Glendale, Highlands Ranch, Littleton, Lone Tree, Sheridan and unincorporated Arapahoe County.

OUR FOCUS:

Inter-Faith is dedicated to providing services that bridge the gaps between crisis, survival and independence. In 1968 Inter-Faith was designated the "official poverty agency" in its service area. With the philosophy of a hand up, not a hand out, the agency strives to support its clients in every phase of their climb to self-sufficiency and long-term success.

A large part of our success in helping others is due to the generous community support we receive. Because of this support, Inter-Faith was able to assist more than 16,000 low-income families, individuals, and senior citizens last year.

We anticipate the need for our help to be greater this year with the current economic crisis. Fortunately, the money raised at Puttin' On The Green will greatly assist with the increased demand.

Last Year's Winners:

Team Raising the Most Money:

Highlands Ranch Rotary Ladies, \$5,827.00

Business Team Raising the Most Money:
