991 Children Helped!!

Thank you so much for help with school supplies. I don't know what families helped us, but if you do, please tell them thank you, the backpacks and the contents inside were wonderful.

I also saw a lady there who helped me out with rental help. Not only did she help me out financially, but emotionally also. I was just diagnosed with MS and she was so sweet and my tears just kept coming.

Thank you so very much!

Thank you so much for your wonderful thoughtful attention to detail! Jesse got four new outfits, two pairs of shoes and a haircut! Not to mention all of his school supplies. Thank you!

Dear Inter-Faith Donators,

Thank you for giving us all these great school supplies. I will take good care of them. You're really helping my mom a lot. I appreciate that because we are on a really tight budget. When I grow up I want to be like you, a person who helps donate and helps people. I will take good care of the backpack and all the school supplies with it. Also all the cool clothes and the gift card.

Sincerely,

Kimberlyn

P.S. Thanks again

Dear Friends,

I want to express my great appreciation from the bottom of my heart for all of your support and the joy that you have brought my family.

My children were so thrilled when they saw the backpacks with supplies, the clothes and the gift cards. I wish you all the best and many blessings. Thanks again.

Dear Sponsor,

Thank you a million times for my supplies you have provided. I'm so excited to start the year with such cool clothes and supplies I love my new blue basketball. Now I can practice shooting hoops. Also thanks for getting almost everything in blue and purple because they are my favorite colors.

Sincerely, Jennica

Thank you so much Kenna's backpack. She loves it. I have had two surgeries for cancer in the last six months, so this is a huge help. Thanks.

Thank you for all the gifts. I really needed a hair cut, I will have such a good school year now. Thank you.

Just wanted to say thanks for all the great things you got for me. I loved everything. My Mom thanks you because she has four kids and she's by herself and you helped so much. You saved us. We will remember you always!!

Thank you so much for my school supplies, clothes and jewelry. My Mom was so relieved. Love, Teya

To the family that donated to my child,
Words cannot express my feelings. How can I say thank you? Everything fit well. As a single mom - my heart is happy to know that you took time to do this for my child, if I could, I would also do it, too. Two years ago I would never have thought of finding myself in this position. I've always done volunteer work just because I like to help. So now I am thanking you for your help. We will always remember this! And I will be forever grateful.

Dear Sponsor,

Thank you very much for my backpack, my clothes, my school supplies and my movie gift card. I loved them and I enjoyed them very much...

Thanks for caring for others....
