

ADOPT-A-FAMILY PROGRAM

Please help Inter-Faith Community Services help our community by sponsoring a family or senior for the holidays!

It's really easy! You decide how many families or seniors you would like to sponsor then call Maria at Inter-Faith (303) 789 - 0501 or email her at mariap@ifcs.org. She will match you with a senior, family or families of the size that you request and send you the family information (name, age, size, favorite color, gift request).

For families we ask for:

- at least one new article of clothing per child
- as well as a new toy or gift per child
- a little something for the parents
- and a grocery store gift certificate for the holiday meal.

For Seniors we ask for:

- a food box (we'll send you a suggested list)
- a gift or two
- whatever else you would like to include

That is our minimum that we ask for. Many sponsors go above and beyond and that is certainly fine! These folks are all low-income and wouldn't have a holiday to celebrate without the generosity of this great community.

You pick a day and time between December 1st through 5th that will work for you to deliver your generous donations here to Inter-Faith and we schedule the families to pick up based on the information that you give to us. (It's pretty much controlled chaos here during that time - 700 baskets being delivered and picked up within that time frame!)

It's really such an easy process! You feel good and you bring the holidays to families and seniors that without your help would have little to celebrate.

Please call or email soon to reserve your family or senior and we'll send you the information as soon as it's available. Or, if it's more convenient for you, you can always send a check: Attn: Maria/AAF, and our dedicated army of volunteers will be happy to do the shopping on your behalf!
