2011 - 12

annual REPORT

hope
IN ACTION

From the Executive Director

Dear Friend,

Unfortunately, the economic shock and unemployment backlash that Colorado is experiencing is creating a situation where many more people are requiring guidance and assistance, in conjunction with food and clothing, case management, and homeless prevention from Inter-Faith Community Services. Because of your generosity, Inter-Faith is able to meet the increasing demand for our services, as well as meet the new challenges that stem from this economic crisis.

Inter-Faith provides a “hand-up,” not a “hand-out” by giving motivation, incentive, and by providing services to low-income people in western and unincorporated Arapahoe and northern Douglas Counties. Inter-Faith reaches out to families through basic services, moral support, and educational programs and is always responsive and provides those in need with opportunities to learn, to grow, and to become or continue to be active and productive members of our community.

Your support made it possible for Inter-Faith to assist more than 19,000 individuals with homeless and hunger prevention services, clothing, and other financial assistance services. Nine hundred sixteen (916) new low-income individuals came to our door for assistance. Inter-Faith also provided 10,665 referrals to other organizations.

Thank you, for without your continued support of our programs and services, it would be impossible for Inter-Faith to continue to meet the needs of thousands of low-income families, children, individuals and senior citizens who come to our door for assistance.

Sincerely,

Sandra Blythe Ferry
