Through Your Support, We Turned Your "Hand Up" into a Head Held High!

Our recipients share their thoughts:

Thank you for buying all the things I needed to start the school year. I loved the clothes. Once again Thank you - Sixth Grade Girl

I will study hard, do my homework, and learning...like you wish! - Middle School Boy

My son wanted to go shopping and didn't understand why he couldn't get new things for school - Unemployed Single Mother of three boys

My daughter really liked the light up backpack and My Little Pony water bottle, it really put the excitement in her for the new school year - Mother of Elementary Girl

My son loves each and everything you put in his backpack! Your kindness has blessed our family. - Mother of a First Grader

Thank you "four" the nice backpack. I really like the details on it - Third Grade Boy

Whenever I'm going to draw, I will use this sketch book - Elementary Boy

I love school and it's even more enjoyable when I have school supplies, and when I'm in style. I thank you very much for everything that you gave, it's so generous, and it inspires me to also be generous. I will never forget this!

- Fifth Grade Girl
